PUMPKIN Island
SOUTHERN GREAT BARRIER REEF

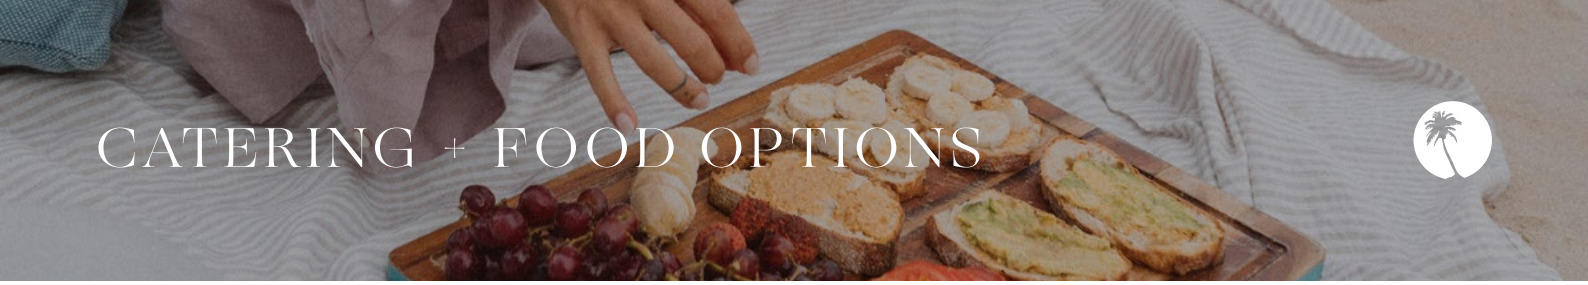
WHAT TO PACK

Your main goal is to pack to relax! We all know the stress of feeling like we've forgotten something when packing for a holiday, and as Pumpkin Island is a self-catering island - you definitely don't want to forget anything as there aren't any shops to purchase things once you step foot on the sandy shores.

To make life easier, we've prepared a checklist for you to help out - that way you can focus on the relaxing knowing you've packed everything you need!

your checklist

- ◯ **SNORKELLING GEAR** (also available on island for use)
- ◯ **FISHING GEAR**
- ◯ **FIRE WOOD** (bonfire/pizza oven) (also available to purchase on island for $40/bag)
- ◯ **WATER TOYS FOR THE KIDS** (and adults)
- ◯ **HATS, SUNSCREEN & INSECT REPELLENT**
- ◯ **MARSHMALLOWS** (for the bonfire)
- ◯ **ALL FOOD, DRINKS, ICE & ESKY** (see next page)
- ◯ **TORCH/BATTERY OPERATED LAMP**
- ◯ **SPEAKERS/MUSIC PLAYER**
- ◯ **SHOES** (suitable for walking on rocks with oysters)
- ◯ **FIRST AID KIT** (with special attention to rock/coral cuts)
- ◯ **PERSONAL TOILETRIES** (don't forget soap & toilet paper)
- ◯ **GAMES, BOOKS, MAGAZINES, CARDS ETC**
- ◯ **STRONG GARBAGE BAGS** (All garbage must be taken off the island and back to the mainland. We recommend the Glad TUFF green bags!)
- ◯ **FREEZER BAGS** (for wrapping fishing bait)
- ◯ **REFILLABLE WATER BOTTLES** (Ceramic bench top filters provide us with pure filtered rain water for drinking. We suggest guests bring refillable drink water bottles, to help reduce the plastic waste produced on the island)



CATERING + FOOD OPTIONS

self catering

For grocery shopping Yeppoon has three large grocery stores: Coles, Woolworths and Foodworks.

Coles and Woolworths both have online shopping services*, which is another convenient possibility with deliveries made to the boat at Keppel Bay Marina. It is important to ensure that groceries are delivered 30 minutes before departure.

Capricorn Fruit and Veg Supplies is a great local fruit and veg shop in Yeppoon and they deliver to the marina and onto the Pumpkin Xpress. They have a large selection of local, seasonal, organic fruit and vegetables.

The Rosslyn Bay Fishermans Market is another little gem found in the marina opposite where Pumpkin Xpress departs from with freshly caught local fish, mud crabs and prawns.

Pumpkin Island has no shops at which to purchase food or beverages. Limited firewood is available for

sale on the island at $40 per bag.

**It is important to note that items may sometimes be out of stock and not delivered on the day, unless you tick the substitute check box.*
